More than just a scenic road trip through the rural countryside, PA Route 6 takes you on a journey through seven unique **Character Areas**, each named for its primary natural or historic resource. Let's "Do 6" from Mile Marker (MM) 0 in the west to MM 400 in the east, stopping in the **Character Areas** along the way to explore **Spotlight Attractions** and **More Across the Corridor**. Use the MM numbers throughout the guide and corresponding "Do 6" Mile Marker Signs along the highway to plan your travels. Now, buckle up — it's going to be a fun-filled road trip!
